

VRIS UPDATE

Post Secondary Classes as an Assessment Service Effective 10/03/2007 Number 115

SUMMARY OF UPDATES

The limitation on the number of credit hours that can be authorized for in the one term of Assessment Services has been updated. The previous chapter indicated 12 credit hours and did not specify whether the credit hours were semester or quarter hours.

With many of the quarter credit hours courses for reading, writing, and math classes are 4.5 quarter credit hours. It was recommended to allow for more quarter credit hours.

The Program Manual Chapter now specifies as the limitation, 12 semester hours, or 13.5 quarter credit hours.
