

VRIS UPDATE

**Nebraska AgrAbility
Effective 2/11/2008
Number 138**

SUMMARY OF UPDATES

The Nebraska AgrAbility Manual Chapter has been revised. The revisions are in the Process section of the Chapter. The first revision was to include guidance for VR referrals to AgrAbility. The second revision outlines the role and responsibility of ATP and AgrAbility when assessing the farmer/rancher. AgrAbility is responsible for worksite assessment and recommendations when the occupation is farmer/rancher. ATP is responsible for home and personal vehicle assessment and recommendations. VR staff are responsible for assisting the farmer/rancher in understanding the role and responsibilities of each organization who will be involved with them.

VRIS POSTING

The revised Nebraska AgrAbility Manual Chapter has been placed on VRIS and becomes effective immediately. The Chapter is found in the Community Services section of the Program Manual.

TEAM COMMUNICATION

Office Directors should review these changes with all staff at their next Team Meeting to ensure an understanding of the process.
