

CHANGE ANNOUNCEMENT

GENERAL AGENCY BROCHURE - IF YOU EXPERIENCE A DISABILITY EFFECTIVE 12/23/05

CHANGES

A new agency brochure containing general information about the agency is now available in English and Spanish. Supplies of the English version are being shipped to each office. The English version is in color and future copies must be ordered from Sandy Ham. The Spanish version can be printed off of VRIS. This new brochure mirrors the information contained in the new 'orientation' for consumers you received in the past few weeks. It replaces the 'Services We Offer' English and Spanish versions that were on VRIS. This brochure can be mailed or given to new referrals to provide them with a general description of Vocational Rehabilitation. You may find other uses for the brochure as well.

VRIS UPDATE

The Services We Offer English and Spanish versions have been removed from VRIS. The new brochure If You Experience a Disability can be found on VRIS under the Printed and Marketing Materials in the upper right hand corner in the 'Marketing Office & Other Materials' section.

EFFECTIVE DATE

This new brochure is available now on VRIS and can be used immediately.
