

# **VRIS UPDATE**

## **Assessment Services and Supports Number 152 Effective 5/1/2008**

### **SUMMARY OF UPDATES**

This is a new program manual chapter that describes the Assessment Services and Support, and the policy and procedure requirements around each of those supports.

### **VRIS POSTING**

The chapter is posted to VRIS: Program Manual: **Assessment Services and Supports**. Previously, Assessment Services and Assessment Supports were two separate Program Manual sections. They have been combined into one section.

### **TEAM COMMUNICATION**

While the chapter does not contain any change from our current policies and procedures around Assessment Services and Supports, it would be a good idea to review the chapter in a team meeting since this is information that has not been included in the program manual until now.
