## **ATP/VR PARTNERSHIP**

**May 27, 2008**

**Number 156**

### **SUMMARY OF UPDATES**

The ATP/VR Manual Chapter dated March 31, 2008 has been removed from VRIS. Since it has taken more time than originally anticipated to process referrals made to ATP on or before March 31, 2008 there has been some confusion for both VR and ATP staff. Therefore, effective immediately, the new policies and procedures, dated April 1, 2008 will apply to all referrals regardless of the date of referral to ATP. The one exception would be if VR has already set aside funds in QUEST for a service provider other than ATP. In these situations proceed as planned and authorize to the vendor identified in QUEST.

### **VRIS POSTING**

The VRIS Manual Chapter dated March 31, 2008 has been removed. The new ATP/VR Partnership Manual Chapter dated April 1, 2008 remains.

### **TEAM COMMUNICATION**

Office Directors should review this change with all staff at their next Team Meeting.
