

# **VRIS UPDATE**

**Annual Review  
Effective 7/23/2008  
Number 173**

## **SUMMARY OF UPDATES**

The Annual Review Program Manual Chapter has been revised to provide guidance on how to answer the cost sharing questions in the Annual Review Determination script for cases with Annual Review dates due on or after July 1, 2008. Because there are still cases with Annual Review due dates prior to July 1, 2008 that have not been done, the questions pertaining to cost sharing must remain in the script. Once all annual reviews with due dates prior to July 1, 2008 are completed, then the annual review script can be revised.

The title of this program manual is also being changed from “Completing the IPE Annual Review” to “Annual Review” making it easier to find the chapter in the Program Manual Menu.

## **VRIS POSTING**

This revised chapter has been posted to VRIS: Program Manual” Employment Program: **Annual Review**.

## **TEAM COMMUNICATION**

Teams should identify and complete all annual reviews with review due dates prior to July 1, 2008. Once this is completed statewide, the Annual Review Determination Script can be revised.

Teams should also review the guidance on how to answer the cost sharing related questions for those cases with Annual Review due dates on or after July 1, 2008.
