

VRIS UPDATE

SERVICE AGREEMENT CHAPTER

Effective 9/24/08

Number 192

SUMMARY OF UPDATES

The Service Agreement Chapter has been updated to reflect changes based on the revisions in Rule 72. Specific changes include:

1. On-site observation, Technology use training, Basic academic/literacy training, and Transitional supported employment have been deleted from the service agreement form as these services no longer require an agreement.
2. Changed the language to indicate that a service agreement may be used as the written agreement for these services.

VRIS POSTING

The chapter has been posted on VRIS at: Operations, Service Agreements.

FORMS REVISED

The revised service agreement form has been posted at: Materials, Administrative Forms, Service Agreement. Hard copies of the service agreement will no longer be available.

TEAM COMMUNICATION

Office Directors should discuss the changes with their staff at the next team meeting.
