

VRIS UPDATE

QUEST Services Guides Effective 9/25/2008 Number 193

SUMMARY OF UPDATES

The QUEST Individual Services document has been updated to reflect additions to, deletions from, and changes to QUEST services as a result of the revised Rule 72. In addition, a companion document has been posted to VRIS titled “Selecting the Correct Service in QUEST”. This document combines the information from the QUEST Individual Services document and the Rule 72 Appendix B Fee Schedule for Services, Goods, and Supports.

VRIS POSTING

QUEST Individual Services is re-posted to its original position on the VRIS home page which is to the right of the Mission Statement in the rectangular header titled Program Manual.

Selecting the Correct Service in QUEST has been newly posted to the same location as QUEST Individual Services on the VRIS home page.

QUEST UPDATE

The Assessment, Assessment Supports, Team, Community, Team and Community Supports, Post Secondary, and Post Secondary Supports services menus in QUEST have been updated or will shortly be updated to reflect the changes around services in the current Rule 72.

TEAM COMMUNICATION

Information in these documents has previously been presented to staff through the Rule 72 training that was conducted. Staff should print both documents as a desk reference when selecting and authorizing for services.
