

VRIS UPDATE

CASE SERVICE PROCUREMENT Effective August 31, 2009 Number 234

SUMMARY OF UPDATES

The requirement for cost estimates has been clarified to state that the consumer's word cannot be the source of the documentation for a cost estimate. VR still has the responsibility of verifying the information using the documentation requirements listed under Cost Estimates in the chapter.

VRIS POSTING

The revised [Case Service Procurement](#) chapter has been posted on VRIS under Employment.

TEAM COMMUNICATION

Office Directors should discuss the documentation changes in a team meeting.
