

VRIS UPDATE

Standard Texts Effective 3/11/10 Number 257

SUMMARY OF UPDATES

As of March 10, 2010 the texts are changed to accommodate VRs making partial payments for the Consumers balance remaining, after payments from Medicare and/or Insurance. VR is paying the lower of the unpaid portion billed or the Medicaid rate for all services provided. The changed Texts are: 1b, 1c, 1d, 2a, 2b, 2c, 2d, and 2e

As of March 10, 2010 two optional texts are added. The Post Secondary text is found as number 3d, and the Maintenance text is found as number 4d.

VRIS POSTING

The revised [Standard Texts](#) are posted in the Program manual under Operations

FORMS REVISED

None

QUEST UPDATE

QUEST will soon be updated so the texts will automatically come into the Authorization Text section for your use. Until this happens, use as necessary.

MONITORING REQUIREMENTS

Those who prepare authorizations should carefully read the finished text, prior to printing, to make sure that a clear understanding is generated from the text.

TEAM COMMUNICATION

Office Directors and Team Accounting personnel should review these texts with their team
