

VRIS UPDATE

Removal of Terminated Information and Referral Consumer Records December 22, 2011 Number 328

SUMMARY OF UPDATES

As we prepare consumer records for conversion to QE2 we will be deleting all Information and Referral consumer records that were terminated before October 1, 2011. I & R consumer records that were created and terminated October 1 or after will not be deleted. You will still be able to reopen those terminated I & R consumer records. I & R consumer records that are open will not be affected by this VRIS update.
