

# VRIS UPDATE

## AGRABILITY FEE FOR REHAB TECHNOLOGY ASSESSMENT

**Effective: 4/7/2014**  
**Number 387**

### SUMMARY OF UPDATES

AgrAbility will not meet with the client first. A farmer/rancher is referred to AgrAbility after the initial Employment Discussion/Intake is completed. VR authorizes \$2000 for RehabTechnology-Rehab Engineering Assessment Support. VR authorizes for mileage (NDE) rate and for a hotel (state rate) if required. Enter the Assessment Support service of Rehab Technology-Rehab Engineering with AgrAbility as the provider in QE-2.

If a referral is made to ATP, add Assessment Support Service of Rehab Technology-Rehab Engineering with ATP as the provider.

Authorize mileage to AgrAbility to travel to ensure the assistive devices have been secured, modifications completed and any equipment provided is working properly and being used by the farmer/rancher.
