

VRIS UPDATE

Job Seeking Skills Workshop Training
Effective 12/1/2014
Number 405

SUMMARY OF UPDATES

The Job Seeking Skills Workshop Keynote and Workbook have been revised. The Workbook is more in line with the slides and offers more interaction. It is highly recommended VR staff review the entire Keynote (including the notes section) and Workbook prior to teaching a class because of all of the changes.

The field staff responsible for ordering supplies for your office can contact [Sandy Ham](#) to request the revised JSS Workbooks. The Keynote is available for downloading at the link listed below.

VRIS POSTING

The revised Keynote and Workbook is posted to VRIS: Marketing Resource Library-PowerPoint Presentations: [JSS Training Keynote and current JSS Workbook](#).
