

VRIS UPDATE

New QE2 Services and Expanded Definitions on Existing Services Effective July 10, 2015 Number 424

SUMMARY OF UPDATES

1. New Assessment Services have been added to QE2 to track activities in the implementation of our Rapid Engagement initiative.
2. Removed the Assessment Service – Community Assessment.
3. Additional definition was added to some already existing services.

VRIS POSTING

1. Job Shadow
2. Mock Interviews – VR Staff
3. Mock Interviews – Employers
4. Tours – Group
5. Tours – Individual
6. Volunteer Experience
7. On-the-Job Evaluation

Changes to existing services:

1. Assessment Services – Community Assessment (removed, use **new** Assessment Service – On the Job Evaluation)
2. Assessment Support – On-the-Job Evaluation (revised definition)
3. Assessment Support – Other Services (revised definition)
4. Community Services – Misc Training: Other Classes (revised definition)
5. Community Services – Misc Training: Disability Related Skill Training (revised definition)
6. Community Services – Occupational or Vocational Training: Occupational or Vocational Training (revised definition)

7. Community Services – Occupational or Vocational Training: Certificate Program-including VR sponsored (revised service name and definition)
8. Community Services – Small Business: Technical Assistance (revised definition)
9. Supports – Other Services: Other Assistance (revised definition)

MONITORING REQUIREMENTS

VR staff will begin adding the appropriate Assessment Service (before or after IPE) as these services are identified and provided. As part of our Rapid Engagement initiative we want to document the number of clients receiving these services.

TEAM COMMUNICATION

Please discuss at your Team Meetings the use of these new services and review the revised definitions of the other services.
