

VRIS UPDATE

Purchasing Hearing Aids and Assistive Listening Devices Effective Date 10/8/15 433

SUMMARY OF UPDATES

Policy language in the hearing aid chapter has been revised to clarify that condition under which VR participates in the purchase of hearing aids and/or assistive listening devices. The prior language stated the hearing impairment meeting the eligibility criteria based on a hearing loss had to be the client's primary impairment. The revised language clarifies that the hearing loss must meet the criteria for eligibility based on a hearing loss, but the impairment does not have to be the individual's primary impairment.
